PROFESSIONAL EXPERIENCE

Founder & Chief Marketing Officer (CMO)

2018 – Present

PT Nano Indonesia Sakti (Nanoidn) — Jember, East Java

- Designs, builds, and maintains Nano's internal and client-facing web apps: CRM, HRIS attendance, project tracking, and the WebAR platform.
- Leads business and brand strategy, marketing communication, sales enablement, digital channels, and partnerships.
- Built a multi-division creative house spanning Digital Yearbook, AR Technology, Event Organizer, and Visual Production House.
- Served 231+ schools and companies across Indonesia while scaling operations to a team of around 40 people.

Freelance Web Developer & Graphic Designer

May 2019 – Present

Freelancer.com / Independent — Remote / Indonesia

- Delivers web apps, landing pages, company profiles, and PWAs for client projects, from interface design to deployment.
- Covers graphic design and visual communication alongside development, using Adobe Creative Suite.

Project Manager

Sep 2018 – Nov 2019

CV. Big Castle Group — Jember, East Java

- Managed creative and operational projects, coordinating requirements, timelines, teams, and delivery.

Event Manager

Jan 2018 – Mar 2019

PT Kajasindo DMC — Indonesia

- Supported event planning and execution, combining operational coordination with creative production.
